

SEEK MEASURES TO RELIEVE SHORTAGE

Freight Cars Tied Up Total 235,000, Is Report.

WASHINGTON, May 12.—Impulsive action to relieve the freight congestion in American railroads in order to prevent a general strike of railroad workers has attracted the attention of all the government agencies which deal with the national arteries of transportation. Reporters from important newspapers agree that the railroads are in a state of siege as it was two weeks ago. It still threatened a slowing down of interstate traffic resulting in unemployment and economic depression.

The committee on war service of the American Railroad Association was meeting during the day to day or delayed in transit at this time.

GRENADA TEACHERS GET 50 PER CENT INCREASE

GREENADA, Miss., May 14 (SpA).—The board of trustees of the county school met with Prof. John Hinman, its new superintendent and named the following teachers for the next school year:

Mrs. White, Miss Dillard, half teacher; Miss Elizabeth Hutchins, mathematics; Miss Frances Jones, Latin; Miss W. Vickers, English; Miss M. McCullum, music; Miss Gwendolyn Cook, primary teacher; Mrs. Thompson, second grade; Miss Lucille Cook, third grade; Mrs. C. C. White, fourth grade; Miss Hiram, fifth grade; and grammar school supervisor; Mrs. D. W. Rice, sixth grade. History teacher and seventh grade were left open. The proposed budget for the school increased about 50 per cent. Grenada is looking forward next year to one of the greatest school years in its history. Prof. Hinman, the new superintendent is one of the ablest and most popular educators in the state and knows every phase of school from A to Z.

INDIANA G.O.P. NAME DELEGATES AT LARGE

INDIANAPOLIS, May 13.—Delegates at large to the Republican national convention will be chosen at the state convention to be elected; a complete slate ticket nominated and a platform adopted when the Republican state convention reconvened here today for the closing session. Rep. Rutherford B. Johnson, representative of United States Senator James E. Watson, who was unopposed to succeed himself, and of Warren T. McCrary, of Kentucky, who received a majority of the votes cast at the state's primary election last week, also was to be made.

The failure of Major Gen. Woods' supporters to obtain unqualified nominations in more than of the 13 district meetings last night in which Senator Hiram Johnson obtained two districts, San Joaquin and San Joaquin, led to a general belief that the state convention will follow a similar course and that the delegates at large will be unstructured.

Horlick Originated Malted Milk in 1883

The name, "Malted Milk," devised by Horlick, has been appropriated by others.

Only by the Original Horlick process, which imitators do not reproduce, can the full food values and flavor of Malted Milk be obtained.

The medical profession everywhere has endorsed the Original product for over a third of a century. Avoid imitations.

New Yorkers Buy Homes In Fight On High Rentals

NEW YORK, May 12.—(SpA)—New Yorkers have purchased more than \$2,000,000 worth of realty in New York in the past year under the co-operative ownership plan, as a protest against high rentals. It was learned today.

Of this amount at least \$1,000,000 is held by the New York City Housing Corporation.

of the properties have been purchased for private occupancy by the buyers, while co-operative owners have bought apartments and houses in Brooklyn, Bronx, Manhattan, as well as ordinary tenants have joined the movement which has gained considerable momentum in the past few months.

No uniform plan has been followed in either buying or holding. In many cases purchasers have obtained single apartments in fashionable apartment house districts either by outright buying or by taking stock in holding companies.

The strike of railroad employees still was in progress in some districts had depicted tenth and early stages of an important development which would have prevented a clearing of these distributing points, it was said.

The committee on war service of the American Railroad Association was meeting during the day to day or delayed in transit at this time.

STREETS OF SEARCY TO BE IMPROVED

SEARCY, Ark., May 12. (SpA)—The question of paving the business streets of Searcy is again being agitated. About one year ago an ordinance was passed creating a paving

district, but because of low real estate assessments paving was postponed. This defect was remedied, but it is quite probable that Searcy will have paved streets at an early date.

At a recent meeting of the city council a resolution was adopted against paving the streets of the business section on account of the early paving prospects. Oil has been ordered for the residence streets, and will be put on the latter part of this week.
